

The Dark Wood

A Folktale from England

In a dark, dark wood
was a dark, dark house,
and in that dark, dark house
was a dark, dark room,
and in that dark, dark room
was a dark, dark closet,
and in that dark, dark closet
was a dark, dark shelf,
and on that dark, dark shelf
was a dark, dark chest,
and in that dark, dark chest was a . . .

GHOST!
